

Name:	Akhil Montrose
Student ID:	81788
Course Code:	Sfen3005
Lecturer:	Emile Ramlal
Document Type:	Assignment 4

Yahoo Search:

The image displays two side-by-side screenshots. The left screenshot shows the Selenium IDE interface with a project named 'google'. It features a command table with one entry: 'open' with target 'https://www.yahoo.com'. Below the table, the command 'open' is selected, showing its target and value fields. The status bar at the bottom indicates 'Runs: 1 Failures: 0'. The right screenshot shows the Yahoo homepage in a web browser. The page has a blue header with the text 'Make Yahoo Your Homepage' and a navigation bar with links for Mail, News, Finance, Sports, Entertainment, Life, and COVID-19. The main content area includes a large news article about Joe Biden with the headline 'A hundred billion doesn't do it, folks' and a sub-headline 'Kerry'. Below this are several smaller news snippets and a 'Remove topics that you don't want to see in your news feed' button. At the bottom, there are category buttons for Politics, US News, Celebrity, Lifestyle, Sports, and more.

How do you make your own cheese

And learning how to make cheese really is that simple: **heat dairy low an**
add in an acid and salt to trigger the coagulation process. Almost instan
you'll see the dairy separate into thick milky curds and a pale yellow liqui
whey.
